

## NOTICE OF MEETING

Meetings of the Financial Accounting Foundation are normally open to public observation to the extent of available space, except for the portion that is expected to involve personnel, selection, oversight, and regulatory matters.

The meeting will be conducted in accordance with Meeting Procedures adopted by the Board of Trustees, which among other things provide that no person attending has any right (i) to be heard or otherwise participate in the meeting; (ii) to record any portion by electronic or photographic devices; or (iii) to receive at the meeting any documents, information, or data used or referred to in the course of the meeting. Such Meeting Procedures also empower the Chairman of the Board of Trustees of the Foundation to close all or any portion of a meeting in session whenever it is determined that such meeting or portion is likely to result in discussion or disclosure of matters that would have permitted such meeting or portion to have been previously announced as closed to public observation.

If you have any questions regarding this meeting, please contact Adrian Cardone at [acardone@f-a-f.org](mailto:acardone@f-a-f.org).
